

Strategic Business Plan 2022

INTRODUCTION

A committee was appointed by our 2007 Chapter President, Vera McPherson, to prepare a Strategic Plan for 2007 and beyond to submit to the membership for approval at the Annual Membership Meeting. The committee was comprised of past Chapter presidents, 2007 Executive Council members, and new and "experienced" members. The Strategic Plan is reviewed annually by the Executive Council. Revisions are submitted to the membership for approval at the Annual Membership Meeting held in September of each year.

The committee identified key strategic activities that we must undertake to move successfully into the future. The existence of this plan serves as a guide for positive decision-making and ongoing operational work. This is not intended to be a one-time event, but an ongoing commitment and process to lead our chapter in a tactical direction.

This Strategic Plan lists our goals and an action plan which we will strive to accomplish within a 3 - 5 year period. These goals are based on the core purpose and core values from the Strategic Plan prepared by IREM National:

To advance the profession of real estate management while helping real estate managers prosper and add value to their companies and the properties they manage. We believe that management matters...that good management translates into value...that well-managed properties improve the quality of life for people who live, work and shop in them; in professional ethics; in the power of knowledge...and the importance of sharing it.

Our Chapter goals include the following:

- 2 in-person volunteer events
- 2 charities
- 1 fun run/walk 5k
- Increase and encourage membership. Both existing and new. Target students from colleges. Participate in career days.
- Reach out to current membership to promote and increase participation. Insure our mailing and emailing list is current and up to date.
- Marketing/Media/App- Push the app and make it more user friendly. Continue to push social media. Reactivate Linked/in account for our chapter.
