

backed up the commitment by investing time and effort into obtaining both the experience and specialized education essential to professional performance.

CPM® members use their professional expertise to further the general welfare of the housing industry. CPM® members are actively involved in sharing their knowledge through teaching, publishing, public speaking, civic services, and committee work on a variety of government agencies.

About 11.7 million residential units and 12.2 billion net square feet of non-residential property are managed by CPM® members. CPM® members manage in excess of one trillion dollars worth of the nation's real estate assets.

The Virginia Tidewater Chapter 39 of the Institute of Real Estate Management represents the outstanding property managers in the area and is dedicated to the continual improvement of their professional standards. This directory has been prepared to assist you in locating that recognized professional property manager.
